## Rural Development Housing & Community Facilities Programs

 

Bottom of Form

Rural Housing Repair and Rehabilitation Loans are loans funded directly by the Government. These loans are available to very low-income rural residents who own and occupy a dwelling in need of repairs. Funds are available for repairs to improve or modernize a home, or to remove health and safety hazards. This loan is a 1% loan that may be repaid over a 20-year period.

**Purpose:** The Very Low-Income Housing Repair program provides loans and grants to very low-income homeowners to repair, improve, or modernize their dwellings or to remove health and safety hazards.

**Eligibility:** To obtain a loan, homeowner-occupants must be unable to obtain affordable credit elsewhere and must have very low incomes, defined as below 50 percent of the area median income. They must need to make repairs and improvements to make the dwelling more safe and sanitary or to remove health and safety hazards. Grants are only available to homeowners who are 62 years old or older and cannot repay a Section 504 loan.

**Terms:** Loans of up to \$20,000 and grants of up to \$7,500 are available. Loans are for up to 20 years at 1 percent interest. A real estate mortgage and full title services are required for loans of \$7,500 or more. Grants may be recaptured if the property is sold in less than 3 years. Grant funds may be used only to pay for repairs and improvements resulting in the removal of health and safety hazards. A grant/loan combination is made if the applicant can repay part of the cost. Loans and grants can be combined for up to \$27,500 in assistance.

**Standards:** Repaired properties do not need to meet other HCFP code requirements, but the installation of water and waste systems and related fixtures must meet local health department requirements. Water supply and sewage disposal systems should normally meet HCFP requirements. Not all the health and safety hazards in a home must be removed with Section 504 funds, provided that major health and safety hazards are removed. All work must meet local codes and standards.

*Approval:* Rural Development should make a decision on a complete application within 30 to 60 days.

*Basic Instruction:* 7 CFR Part 3550 and HB1-3550

## **Rural Home Repair Grants and Loans**

Posted on January 8, 2011 by admin

These Department of Agriculture (USDA) Rural Development housing programs exist in order to improve the quality of life for Americans living in rural areas by making sure they have access to safe, well-built and affordable homes.

As the program titles suggest, rural home repair grants and loans specifically help rural home owners with very low incomes and that live in homes needing repairs. **The money received through these programs can be used for repairs, improvements, modernizations, or to remove health and safety hazards.**

To be eligible to obtain a home repair grant or loan you must 1) **live in a rural area,** 2) **be unable to get affordable credit elsewhere** and 3) you must have a very low income. In this case, a **very low income is defined as no more than 50 percent of the median income** for the rural area you live in.

If you are 62 years old or older you can receive a grant of up to \$7,500.00 and a loan of up to \$20,000.00. In order to receive a grant you must be unable to repay a Section 504 Loan. If you are under 62 years old you cannot receive a grant, but you can receive a home repair loan of up to \$20,000. Loans are for up to 20 years at 1 percent interest. A real estate mortgage and full title services are required for loans of \$7,500 or more. If you receive a grant, the funds may be recaptured if the property is sold in less than 3 years. Grant funds can only be used to pay for repairs and improvements that result in the removal of health and safety hazards. A grant/loan combination is made if the applicant can repay part of the cost. Loans and grants can be combined for up to \$27,500 in assistance.

Repaired properties do not need to meet other HCFP code requirements, but the installation of water and waste systems and related fixtures must meet local health department requirements. Water supply and sewage disposal systems should normally meet HCFP requirements. Not all the health and safety hazards in a home must be removed with Section 504 funds, provided that major health and safety hazards are removed. All work must meet local codes and standards.

Rural Development should make a decision on a complete application within 30 to 60 days of applying.

### **Water and Waste Revolving Fund Grants**

**Purpose:** To assist communities with water and wastewater systems. Qualified private non-profit organizations will receive RFP grant funds to establish a lending program for eligible entities. This grant program is to serve a rural area with a population not in excess of 10,000.

**Eligibility:** Grants may be made to a private non-profit corporation that has a tax exempt status from the Internal Revenue Service, has the legal capacity and authority to carry out the purpose, has a proven record of successfully operating a revolving loan fund to rural areas, has no delinquent debt to the Federal Government nor any outstanding judgments to repay a Federal debt, and demonstrates that it possesses the financial, technical and managerial capacity to comply with Federal and State laws and requirements.

**Requirements:** The grant recipients will use the grant funds to establish a revolving loan fund. The loans will be made to eligible entities to finance pre-development costs of water and wastewater projects or short-term small capital improvement

projects not part of the regular operations and maintenance of current water and wastewater systems. The amount of financing to an eligible entity shall not exceed \$100,000 and shall be repaid in a term not to exceed 10 years. The rate shall be determined in the approved grant work plan.

The applicant should provide evidence of legal existence and authority in the form of certified copies of organizational documents and a certified list of directors and officers with their respective terms. Also, the applicant should provide evidence of tax exempt status from the IRS, a project proposal, a project summary, a needs assessment, goals and objectives, a brief written narrative, a work plan, a budget and budget justification, goals and objectives, the latest financial information for the past 3 years along with pro forma balance sheet, projected income and cash flow and other certifications requested.

Rural Development announces its Revolving Fund Program (RFP) application window for Fiscal Year (FY) 2010. In addition to announcing the application window, Rural Development announces the available funding and maximum amounts for RFP competitive grants for the fiscal year.

Qualified private non-profit organizations will receive RFP grant funds to establish a lending program for eligible entities. Eligible entities for the revolving loan fund will be the same entities eligible to obtain a loan, loan guarantee, or grant from the Rural Development Utilities Programs Water and Waste Disposal loan and grant programs.

The RFP is authorized under the 2002 Farm Bill (the Farm Security and Rural Investment Act of 2002), Public Law 107-171.

## **Section 1: The Revolving Fund Grant Program**

### **1.1 Introduction**

Drinking water systems are basic and vital to both health and economic development. With dependable water facilities, rural communities can attract families and businesses that will invest in the community and improve the quality of life for all residents. Without dependable water facilities, the communities cannot sustain economic development.

The Rural Utilities Service (RUS) supports the sound development of rural communities and the growth of our economy without endangering the environment. RUS provides financial and technical assistance to help communities bring safe drinking water and sanitary, environmentally sound waste disposal facilities to rural Americans in greatest need.

The Revolving Fund (RFP) Grant Program has been established to assist communities with water or wastewater systems. Qualified private non-profit organizations will receive RFP grant funds to establish a lending program for eligible entities. Eligible entities for the revolving loan fund will be the same entities eligible to obtain a loan, loan guarantee, or grant from the Rural Utilities Service Water and Waste Disposal and Wastewater loan and grant programs. As grant recipients, the non-profit organizations will set up a revolving loan fund to provide loans to finance predevelopment costs of water or wastewater projects, or short-term small capital projects not part of the regular operation and maintenance of current water and wastewater systems. The amount of financing to an eligible entity shall not exceed \$100,000.00 and shall be repaid in a term not to exceed 10 years. The rate shall be determined in the approved grant work plan.

In this guide, you will find information to help you:

- Assess your eligibility for RUS grant assistance
- Understand how and when to apply
- Create a successful application

### **1.2 Authorization**

The 2002 Farm Bill (the Farm Security and Rural Investment Act of 2002) established the RFP Grant Program. The authorizing statute may be found in the United States Code (7 U.S.C. 1926(a)). The Code of Federal Regulations sets forth the RFP regulation at 7 CFR Part 1783. Please read the regulation in conjunction with these guidelines.

Should any differences result in the interpretation of these guidelines and 7 CFR Part 1783, the regulation will take precedence over information contained in this guide.

### **1.3 Available funding for FY 2010**

The RFP Program has \$497,000 available for grant funding in Fiscal Year 2010.

### **1.4 RFP Program Contacts**

The Water and Environmental Programs (WEP) staff will administer the RFP Program. We encourage you to contact the WEP staff early in the application process with any questions or ideas concerning your proposal. The staff will provide advice on draft proposals before the application deadline or answer your questions about the application process and program requirements.

## **Section 2: General Considerations for a RFP Grant**

### **2.1 Eligible Organizations**

An organization is eligible to receive a RFP grant if it:

- a. Is a private, non-profit organization that has tax-exempt status from the United States Internal Revenue Service (IRS);
- b. Is legally established and located within one of the following:
  - a state within the United States
  - the District of Columbia
  - the Commonwealth of Puerto Rico
  - a United States territory
- c. Has the legal capacity and authority to carry out the grant purpose;
- d. Has a proven record of successfully operating a revolving loan fund to rural areas;
- e. Has capitalization acceptable to the Agency, and is composed of at least 51 percent of the outstanding interest or membership being citizens of the United States or individuals who reside in the United States after being legally admitted for permanent residence;
- f. Has no delinquent debt to the Federal Government or no outstanding judgments to repay a Federal debt;
- g. Demonstrates that it possesses the financial, technical, and managerial capability to comply with Federal and State laws and requirements.

## **2.2 Eligible Grant Purposes**

The following activities are authorized under the RFP statute:

- a. Grant funds must be used to capitalize a revolving fund program for the purpose of providing direct loan financing to Ultimate Recipients for pre-development costs associated with proposed or with existing water and wastewater systems; or
- b. Short-term costs incurred for equipment replacement, small-scale extension of services, or other small capital projects that are not part of the regular operations and maintenance activities of existing water and wastewater systems.

## **2.3 Ineligible Grant Purposes**

Grant funds may not be used to pay any of the following:

- a. Payment of the Intermediary's administrative costs or expenses.
- b. Delinquent debt owed to the Federal Government.

## **2.4 Security Requirements**

A grant agreement will be executed between the Intermediary and the Agency.

# **Section 3: Application Submission Process**

## **3.1 Two Ways of Filing Applications**

You may file an application in either paper or electronic format. Send or deliver paper applications by the U.S. Postal Service (USPS) or courier delivery services to the RUS receipt point. File an application electronically through Grants.gov, the official Federal Government website at <http://www.grants.gov>. RUS will not accept applications by fax or e-mail.

## **3.2 DUNS Number Requirement**

Whether you file a paper or an electronic application, you will need a Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS) number. You must provide your DUNS number on the SF-424, "Application for Federal Assistance."

To verify that your organization has a DUNS number or to receive one at no cost, call the dedicated toll-free request line at 1-866-705-5711 or access the Web site <http://www.dunandbradstreet.com>. You will need the following pieces of information when requesting a DUNS number:

- Legal Name
- Headquarters name and address of the organization
- Doing business as (dba) or other name by which the organization is commonly recognized.
- Physical address
- Mailing address (if separate from headquarters and/or physical address)

- Telephone number
- Contact name and title
- Number of employees at the physical location

### **3.4 Paper Applications**

Mail or ensure delivery of an original paper application (no stamped, photocopied, or initialed signatures) and two copies by the deadline date to the following address:

Assistant Administrator  
Water and Environmental Programs  
Rural Utilities Service  
1400 Independence Avenue, S.W.  
STOP 1548, Room 5145 South  
Washington, DC 20250-1548

The application and any materials sent with it become Federal records by law and cannot be returned to you.

### **3.5 Electronic Applications**

You must file an electronic application at the web site: [www.grants.gov](http://www.grants.gov).

You must be registered with Grants.gov before you can submit a grant application. If you have not used Grants.gov before, you will need to register with the Central Contractor Registry (CCR) and the Credential Provider. You will need a DUNS number to access or register at any of the services. The registration processes may take several business days to complete. Follow the instructions at Grants.gov for registering and submitting an electronic application. RUS may request original signatures on electronically submitted documents later.

The CCR registers your organization, housing your organizational information and allowing Grants.gov to use it to verify your identity. You may register for the CCR by calling the CCR Assistance Center at 1-888-227-2423 or you may register online at: <http://www.ccr.gov>.

The Credential Provider gives you or your representative a username and password, as part of the Federal Government's e-Authentication to ensure a secure transaction. You will need the username and password when you register with Grants.gov or use Grants.gov to submit your application. You must register with the Central Provider through Grants.gov: <https://apply.grants.gov/OrcRegister>.

### **3.6 Deadlines for Grant Applications**

**The deadline for the RFP is May 25, 2010.**

**All applications must be postmarked or time-stamped electronically by the filing deadline to be considered for the grant period.**

An application will be considered on time if it is received by the deadline date or mailed on or before the deadline date. If the application is filed electronically, an electronic date and time stamp on or before the receipt date will be considered on time. Paper applications must show proof of mailing or shipping consisting of one of the following:

- A legibly dated U.S. Postal Service (USPS) postmark;
- A legible mail receipt with the date of mailing stamped by the USPS; or
- A dated shipping label, invoice, or receipt from a commercial carrier

**Note:** Packages arriving at USDA via the USPS are irradiated, which can damage the contents. RUS encourages you to consider the impact of this procedure in selecting your application delivery method. Also, if there is a disruption in mail delivery service, we strongly encourage you to submit applications via express mail or commercial delivery to our office.

If a receipt date falls on a weekend, it will be extended to the following Monday. If the date falls on a Federal holiday, it will be extended to the next business day.

## **Section 4: Requirements for a Completed Grant**

### **4.1 Preparing the Application**

To be considered for support, you must be an eligible entity and must submit a complete application by the deadline date. You should consult the cost principles and general administrative requirements for grants pertaining to their organizational type in order to prepare the budget and complete other parts of the application. You also must demonstrate compliance (or intent to comply), through certification or other means, with a number of public policy requirements.

#### **Completed Application**

1. Standard application forms
2. A proposal
3. A work plan
4. A budget and budget justification
5. Evidence of legal existence and legal authority
6. A list of directors and officers
7. Other specified information

## **4.2 Required Forms**

Applicants must complete and submit the following forms to apply for a RFP grant:

- Standard Form 424, “Application for Federal Assistance”
- Standard Form 424A, “Budget Information—Non-Construction Programs”
- Standard Form 424B, “Assurances—Non-Construction Programs”
- Standard Form LLL, “Disclosure of Lobbying Activity”
- Form RD 400-1, “Equal Opportunity Agreement”
- Form RD 400-4, “Assurance Agreement (Under Title VI, Civil Rights Act of 1964”

## **4.3 Project Proposal**

The project proposal should outline the project in sufficient detail to provide a reader with a complete understanding of how the loan program will work. Explain what you will accomplish by lending funds to eligible entities. Demonstrate the feasibility of the proposed loan program in meeting the objectives of this grant program. The proposal should cover the following elements:

### **4.3.1 Project Summary**

Present a brief project overview. Explain the purpose of the project, how it relates to RUS’s purposes, how you will carry out the project, what the project will produce, and who will direct it.

### **4.3.2 Needs Assessment**

Describe why the project is necessary. Demonstrate that eligible entities need loan funds. Quantify the number of prospective borrowers or provide statistical or narrative evidence that a sufficient number of borrowers will exist to justify the grant award. Describe the service area. Address community needs.

### **4.3.3 Project Goals and Objectives**

Clearly state your project goals. Your objectives should clearly describe the goals and be concrete and specific enough to be quantitative or observable. They should also be feasible and relate to the purpose of the loan program.

### **4.3.4 Project Narrative**

The narrative should cover in more detail the items briefly described in the Project Summary. It should establish the basis for any claims that you have substantial expertise in promoting the safe and productive use of Revolving Funds. In describing what the project will achieve, you should tell the reader if it also will have broader influence. The narrative should address the following points:

## The Revolving Fund Program 2010 Grant Application Guide

---

- Document your ability to administer and service a revolving fund in accordance with the provisions of 7 CFR Part 1783.
- Document that, to establish the revolving fund, you can commit financial resources your organization controls. This documentation should describe the sources of funds other than the RFP grant that will be used to pay your operational costs and provide financial assistance for projects.
- Demonstrate that you have secured commitments of significant financial support from other funding sources, if appropriate.
- List the fees and charges that borrowers will be assessed.

### **4.4 Work Plan**

The work plan must describe the tasks and activities that will be accomplished with available resources during the grant period. It must show the work you plan to do to achieve the anticipated outcomes, goals, and objectives set out for the RFP Program. The plan must:

- Describe the work to be performed by each person.
- Give a schedule or timetable of work to be done.
- Show evidence of previous experience with the techniques to be used or their successful use by others.
- Outline the loan program to include the following: specific loan purposes, a loan application process; priorities, borrower eligibility criteria, limitations, fees, interest rates, terms, and collateral requirements.
- Provide a marketing plan.
- Explain the mechanics of how you will transfer loan funds to the borrowers.
- Describe follow-up or continuing activities that should occur after project completion such as monitoring and reporting borrowers' accomplishments.
- Project Evaluation. It should describe how the results will be evaluated, in line with the project objectives.
- Personnel. The applicant should list all personnel responsible for administering this program along with a statement of their qualifications and experience.

### **4.5 Budget and Budget Justification**

The written justification for projected costs should explain how budget figures were determined for each category. It should indicate which costs are to be covered by grant funds and which costs will be met by your organization or other organizations. The justification should account for all expenditures discussed in the narrative. It should reflect appropriate

cost-sharing contributions. The budget justification should explain the budget and accounting system proposed or in place. The administrative costs for operating the budget should be expressed as a percentage of the overall budget. The budget justification should provide specific budget figures, rounding off figures to the nearest dollar. Applicants should consult OMB Circular A-122: "Cost Principles for Non-Profit Organizations" for information about appropriate costs for each budget category.

#### **4.6 Required Information Not Found on Standard Application Forms**

In addition to completing the standard application forms, you must submit supplementary materials:

##### **4.6.1 Evidence of Legal Existence**

Demonstrate that your organization is legally recognized under state and Federal law. Satisfactory documentation includes, but is not limited to, certificates from the Secretary of State, or copies of state statutes or laws establishing your organization. Letters from the IRS awarding tax-exempt status are not considered adequate evidence.

##### **4.6.2 List of Directors and Officers**

Submit a certified list of directors and officers with their respective terms.

##### **4.6.3 IRS Tax exempt Status**

Submit evidence of tax exempt status from the Internal Revenue Service.

##### **4.6.4 Debarment and Suspension Rules**

You must disclose debarment and suspension information required in accordance with 7 CFR, Part 3017, subpart 3017.335, if it applies. The section heading is "What information must I provide before entering into a covered transaction with the Department of Agriculture?" It is part of the Department of Agriculture's rules on Government-wide Debarment and Suspension.

##### **4.6.5 Drug-free Workplace Requirements**

You must identify all of your organization's known workplaces by including the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Workplace identification is required under the drug-free workplace requirements in accordance with 7 CFR, Part 3021, subpart 3021.230. The section heading is "How and when must I identify workplaces?" It is part of the Department of Agriculture's rules on Government-wide Requirements for Drug-Free Workplace (Financial Assistance).

##### **4.6.6 Audit**

Submit the most recent audit of your organization.

#### **4.6.7 Financial statements**

Submit the following financial statements:

- A pro forma balance sheet at start-up and for at least three additional years;
- Balance sheets, income statements, and cash flow statements for the last three years. If your organization has been formed less than three years, the financial statements should be submitted for the periods from inception to the present.
- Projected income and cash flow statements for at least three years supported by a list of assumptions showing the basis for the projections.

The projected income statement and balance sheet must include one set of projections that shows the revolving loan fund only and a separate set of projections that shows your organization's total operations.

#### **4.7 Optional Information Not Found on Standard Application Forms**

You may present additional information to support and describe your plan for achieving the grant objectives. The information may be regarded as essential for understanding and evaluating the project such as letters of support, resolutions, policies, etc. The supplements may be presented in appendices to the proposal.

### **Section 5: Application Review Process**

#### **5.1 Receipt Acknowledgment**

By letter sent within 30 days of receiving your application, RUS will acknowledge the application's receipt. Your application will be reviewed for completeness to determine if you included all of the items required. If your application is incomplete or ineligible, RUS will return it to you with an explanation.

#### **5.2 Evaluating the Application**

A review team, composed of at least two members, will evaluate all applications and proposals. They will make overall recommendations based on factors such as eligibility, application completeness, and conformity to application requirements. They will score the applications based on criteria in the next section.

#### **5.3 Scoring Criteria**

All applications that are complete and eligible will be ranked competitively based on the following scoring criteria:

## The Revolving Fund Program 2010 Grant Application Guide

---

	<b>Scoring Criteria</b>	<b>Points</b>
1	Degree of expertise and successful experience in making and servicing commercial loans, with a successful record.	Up to 30 points
2	Percentage of applicant contributions. Points allowed under this paragraph will be based on written evidence of the availability of funds from sources other than the proceeds of a RFP grant to pay part of the cost of a loan recipient's project. In-kind contributions will not be considered. Funds from other sources as a percentage of the RFP grant and points corresponding to such percentages are as follows: (a) Less than 20 percent –; (b) At least 20 percent but not more than 49 percent of the total project costs (c) At least 50 percent of the total project costs	ineligible 10 points 20 points
3	Extent to which the work plan demonstrates a well thought out comprehensive approach to accomplishing objectives; clearly defines who will be served by the project or program; clearly articulates the problem/issues to be addressed, identifies the service area to be covered by the RFP loans, and appears likely to be sustainable.	Up to 40 points
4	Extent to which the goals and objectives are clearly defined, tied to the work plan and are measurable.	Up to 15 points
5	Lowest ratio of projected administrative expenses to loans advanced.	Up to 10 points
6	Evaluation methods for considering loan applications and making RFP loans are specific to the program, clearly defined, measurable, and are consistent with program outcomes.	Up to 20 points
7	Administrator's discretion, taking into consideration such factors as: (a) Creative outreach ideas for marketing RFP loans; (b) Amount of funds requested in relation to the amount of needs demonstrated in the proposal; (c) Excellent utilization of a previous revolving loan fund; and (d) Optimizing the use of agency resources.	Up to 10 points

### 5.4 Application Selection

RUS will rank all qualifying applications by their final score. Applications will be selected for funding, based on the highest scores and the availability of funding for RFP grants. Each applicant will be notified in writing of the score its application receives.

### 5.5 Possible RUS Actions on the Application

In making its decision about your application, RUS may determine that your application is:

- Eligible and selected for funding,
- Eligible but offered fewer funds than requested,
- Eligible but not selected for funding, or
- Ineligible for the grant.

### **5.5 Appeals Process**

In accordance with 7 CFR part 1900, subpart B, you generally have the right to appeal adverse decisions. Some adverse decisions cannot be appealed. For example, if you are denied RUS funding due to a lack of funds available for the grant program, this decision cannot be appealed.

However, you may make a request to the National Appeals Division (NAD) to review the accuracy of our finding that the decision cannot be appealed. The appeal must be in writing and filed at the appropriate Regional Office, which can be found at <http://www.nad.usda.gov/offices.htm> or by calling (703) 305-1166.
